

CONSELL COMARCAL DEL BAGES

PROJECT NAME:

VOLUNTARIADO SOCIAL EN LA COMARCA DEL BAGES - CAE

The CAE introduces an intervention action with young people in the youth centre and the Youth Information Service. This entity involves European volunteers in:

- In the youth centre, largely due to its location, work is mainly with population with an origin in immigration, mainly from the north of Morocco and, mostly, male. The centre is located in the historic centre of Manresa.

One of the challenges that arise from the youth centre is to incorporate girls into its weekly users, as well as to open the project more clearly to the local population. It is worth noting that one of the complications that can be worked on is with the Music Conservator located just behind the centre.

Also:

- Spaces for casual involvement with the local community such as "la setmana de jocs al carrer" (street games week), el club del joc (game club), etc.
- The volunteer will be invited to participate in the Youth Information Service and in its dissemination activities towards secondary schools and universities.
- Taking part in the school project of supervising during lunch hours.

Actions:

- 1) Working at the La Kampana youth centre
- 2) Getting involved in community education projects organized by the CAE
- 3) Collaborating in the dining hours revitalising these educational spaces
